

Nonprofit Board Connect

2023 SPONSORSHIP OPPORTUNITIES

Support local board leadership and advocacy in your community!

Did you know that more than half of nonprofits struggle to recruit new board members? You can play a part in helping overcome this challenge!

Partner with the Johnson Center for Philanthropy for one of the largest gatherings of nonprofit board leaders and community advocates in West Michigan. On September 19, we'll host the second annual Nonprofit Board Connect — a purposeful, in-person networking event designed to connect West Michigan nonprofits with board-ready recruits.

Nonprofit Board Connect // Tuesday, September 19 // 4:30–6:30 p.m. GVSU Seidman Center in Downtown Grand Rapids, Mich.
